2.00-3.30 pm / CEST

Trade and Commodity Finance Series  
Alternative Funding in Support of Trading?

**Insurance Solutions**

- How Credit and Political Risk Insurance (CPRI) can help in unlocking funding and reduce borrowing costs.
- Using CPRI to improve our working capital.
- Surety Bonds - the alternative to bank guarantees used to support trading activities.

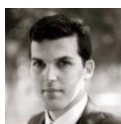

**Alternative Credit**

**Given the recent turmoil caused by Greensill**

- How will alternative funding evolve.
- How will supply chain finance and the trade finance business weather the storm.
- How has investor appetite to participate in the industry has been affected?
- What are your plans and product offering going forward.

## Panelists

### **Eran Charit**

Eran is the Head of Structured and Capital Solutions at AON. Eran is a Credit and political risks specialist working with traders, corporates and lenders to create bespoke risk mitigation and capital optimisation solutions, providing clients with a competitive edge by them to better understand and manage their risks.
